Your vocabulary will cover a wider range of topics, and you'll start using past tense forms alongside the present, giving you more flexibility. Listening and reading skills will improve so you can understand the main points of short texts and clear speech at a moderate pace. By this stage, you'll feel well on your way toward completing the A1 level and ready to progress into more independent use of the language.

Please note that if desired this course can well be used as preparation for the Goethe exam.
